

GREAT MIXED-USE BUILDING IN BEECHVIEW

1601 Beechview Avenue

FOR SALE

Purchase Historic Turreted Commercial Building along Broadway!

This Turreted Victorian in the heart of the Beechview Business District is ready for a transformation. It's got a new roof and has been gutted inside. Would be perfect for a multi-floor bar and restaurant with a roof top deck to take advantage of amazing views.

Owned by the city's Urban Redevelopment Authority, this building could be a great opportunity for a developer with the financial strength to execute on a transformational vision for the community. If you have an idea, contact Kryn Hoyer-Winfield, at (412)-255-6554 or khoyer-winfield@ura.org.
